

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL NOTE

HB 1851 – SB 1916

February 10, 2022

SUMMARY OF BILL: Requires approval of a municipal legislative body prior to the Commissioner of the Department of Environment and Conservation (TDEC) issuing a water quality state operating permit for a pump and haul system located in the urban growth boundary of the respective municipality.

FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Based on information provided by TDEC, this legislation will add a step in the Department's current approval process for such permits, but will have no significant impact on the Department, including any permit fee revenue.
- Municipal legislative bodies in this state can provide approval of any pump and haul system during each of their respective working hours, utilizing existing resources; therefore, no significant impact to local government.

CERTIFICATION:

The information contained herein is true and correct to the best of my knowledge.
